- **Watercolors**
- **Colored Markers**
- **Glue Sticks- 4**
- **Glue bottle- 1**
- **Ruler**
- **Sketch book**
- **1 Pack of assorted paint brushes/ rounded ends (ex. Sizes 0-4)**
- **Black Sharpies - 2 EA. of ;
BLACK-Ultra Fine point & Fine point**

STUDENTS WILL ALSO NEED A BOX TO KEEP ART SUPPLIES IN-

A box with a top that snaps on and fits all supplies neatly inside (except sketch book of course). In a pinch a shoe box would also work.

Please label or Sharpie your child's name on each item please as supplies often get mixed up when we are in our creative zone.

Note: If possible, larger sets of colored pencils/markers would be great! Also, watercolor sets larger than the standard 8 are preferred. We do a lot of watercolor related projects during the year. Michaels craft store has some decent inexpensive ones and Amazon has many options. Colored Sharpies are welcomed but not required.
